WORK EXPERIENCE

Nettech India Institute, Thane   Nov 2025 - Present

Full Stack Developer Trainee

- Hands-on experience in building responsive and dynamic web interfaces using HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap, and jQuery, with a strong focus on reusable UI components and smooth user experience.

- Skilled in implementing client-side functionalities, optimizing web performance, applying mobile-first design principles, and using modern UI frameworks with clean and scalable frontend architecture.

Myntra-Clone website

Self-employed

• Built a production-style foodie website with dynamic menu listing, review page, and contact form using HTML, CSS, and JavaScript.
• Implemented a JavaScript-based Admin Authentication System integrated with JSON Server to validate and fetch admin data.
